Routine Notes.

[To be used only for notes, requisitions, etc., not intended for p ord.]

Part of A. 2.

f.o. of 9th Feby 1915 (No. 3 above) & thereupon his attention was drawn to the latter order (so that if he did not deem it enough to confirm W^t Sea he might make a further reference) & no further Communication has been received.

The Civil Lists prior to Feby 1915 shewed W^t Sea as on Prob^y. The subsequent ones do not.

So that W^t Sea is evidently deemed by Comptroller to have been confirmed

10) "Returned with Compliments

So far as I am in a position to judge Mr. Sen has not been formally confirmed in any permanent appointment Mr. Sen has got fair ability - he is willing and intelligent and his usefulness will I trust materially increase with more experience I know of no one else to take his place and I do not think we should be justified in keeping him on in temporary work without definite prospects and I therefore recommend that he be confirmed as Assistant Geologist.

NOTE—Contn. sheet.

GPB—70,000—17-12-15

19) Submitted to His Highness.

These papers relate to the question of confirming Mr. Ajit Mohan Sen in his present appointment of Assistant Geologist in the Department of Mines and Geology.

2. Mr. Sen was given a Damodardas scholarship for advanced study in Mining and Metallurgy in England and, on his return after the completion of his course, he was appointed Assistant Geologist on probation for five years on a salary of Rs.300-40-500. His probationary period terminated on the 2nd January 1915, but the question of his confirmation was not decided then, as the re-organization of the Department was under contemplation at the time.

3. In the Government Order regarding the reorganization of the Geological Department, since issued Mr. Sen was merely allowed to continue in his special grade of Rs.300-40-500, with the remark that "if necessary the post can be subsequently converted to the grade of Assistant Geologist fixed in the order, viz., 300-50/3-450. He reached the maximum pay of his grade viz., Rs.500 on the 1st March 1916.

4. The Director, Department of Mines and Geology now recommends the confirmation of the officer as - - Assistant Geologist and the Council agree in this recommendation, but suggest that his appointment may be - - included in the ordinary grade, the excess of Rs.50 in his present pay over the maximum pay of that grade being treated as a personal allowance.

5. The Director, Department of Mines and Geology does not speak very highly of this officer; but the

latter has not been entrusted with any important work and it is difficult to find out whether it is due to the officer's incapacity or lack of opportunities for showing his worth. But according to precedent, and all things taken together, the Council have recommended that he be confirmed.

×Page 6 of office notes.

6. I solicit His Highness' sanction to the proposal in paragraph 4 above.
